Property Description

An intimate residential building is being developed on the Costa Blanca with just 11 modern flats, located just 190 metres from Acequion beach – one of Torrevieja’s most beautiful beaches. This is a unique location for those seeking tranquillity, proximity to the sea and the convenience of everyday life in a booming seaside town. The area is quiet and peaceful, yet very well connected to the full infrastructure of the town – shops, restaurants, recreational areas and all amenities.

The offer includes studios and flats with one or two bedrooms and one or two bathrooms respectively. An additional feature is a storage room on the ground floor of the building. A communal relaxation area with a swimming pool and sunbathing area is planned on the roof – ideal for relaxing and enjoying the Mediterranean climate.

This is a great offer both for those looking for **new flats in Spain for sale** and for investors interested in **investment properties in Spain**. The proximity to the beach, the attractive location and the modern features make the purchase of this type of property an excellent choice for those thinking of **earning a rental income in Spain** or planning a permanent move. With the support of a professional **Costa Blanca real estate agent**, the buying

process goes smoothly and the investment becomes a secure and profitable step towards living under the Spanish sun.
