Property Description

We are pleased to present a unique project of a luxury building that will be located just 100 metres from the Promenade in the central part of Del Cura beach, in the second line from the sea. The development comprises only 8 flats that stand out in the real estate market not only in the Costa Blanca region, but also in many other places.

The flats are characterised by spacious living rooms, large bedrooms with built-in wardrobes, dressing rooms, as well as 3-4 bathrooms with underfloor heating. In addition, there are spacious terraces, modern kitchens fully equipped with BOSCH white goods, excellent sanitary ware and fittings by Laufen, as well as bathroom furniture. Each flat is equipped with central air conditioning by MITSUBISHI ELECTRIC.

The two luxury penthouses have spacious solariums with private pools and individual access. There are also two leisure areas with swimming pool, sauna, shower and barbecue area. An exceptionally comfortable parking area is provided on the ground floor with enclosed garage parking spaces equipped with automatic gates.
