Property Description

In the heart of Santa Pola, just 500 metres from the beach and the harbour, a unique development combining comfort, location and modern lifestyle is being built. It is the ideal place for those planning to **buy property in Spain** who want to be close to the sea while enjoying the city's amenities. The development offers flats and penthouses with 1, 2 or 3 bedrooms, spacious terraces and optional storage cells – all surrounded by Mediterranean nature and excellent infrastructure. This is undoubtedly one of the most attractive offers for those interested in **flats for sale Spain** in a location with great potential.

Each flat has been designed with space and light in mind – open-plan kitchens connected to the living rooms lead directly to the terrace, while the master bedrooms, up to 20 m², are equipped with en suite bathrooms and some also have large dressing rooms. **New flats for sale in Spain** also offer penthouse versions with solariums, the possibility of a jacuzzi and a summer kitchen with barbecue, shower, electrical sockets and TV – ideal for those who appreciate **luxury Spain properties** with private outdoor relaxation space all year round.

Santa Pola is a place that delights with leisure activities: sandy beaches, crystalline water, the island of Tabarca, hiking trails in the Las Salinas Natural Park or water sports such as

diving and paragliding. Such conditions make the region perfect for **earning rental income in Spain**, and the location ensures a quick commute – 30 minutes to Alicante and 15 minutes to the airport. If you're wondering **how to buy property in Spain**, enlist the help of an experienced **Costa Blanca estate agent**, who can also advise on **property taxes in Spain** and help you choose the best investment option.
