Property Description

An intimate complex designed to enjoy the sea, light and tranquillity every day is being built in the seaside enclave of Rincón de la Victoria. The collection of 41 1, 2 and 3-bedroom flats has been oriented to the south and south-east, so the interiors are full of natural light from morning to evening. Each flat has its own terrace overlooking the Mediterranean horizon, and the price includes a garage space and a storage unit – solutions that enhance living comfort and property value.

The communal spaces have been designed with relaxation and well-being in mind: the well-kept gardens and swimming pool create a private relaxation area, ideal for taking a breather from the daily rhythm. This is an option for those looking for **new flats for sale in Spain** in a quiet, yet perfectly connected location on the Costa del Sol. The proximity to beaches, services and main routes makes everyday life easier and the lifestyle truly Mediterranean.

From an investment point of view, this is an address with high potential: the sunny exposure, quality of construction and attractive location are conducive to **earning rental income in Spain** and improve **the profitability of investment in Spain**. If you are considering **investment property in Spain** in one of the **best places to buy property in Spain**,

contact an experienced **Costa del Sol real estate agent** who will guide you through the process and give you step-by-step instructions on **how to buy property in Spain**.
