Property Description

In the heart of Santiago de la Ribera, just 100 metres from the beautiful beaches of the Mar

Menor, there is a modern building that offers flats of a high standard. There is a choice of one-bedroom and two-bathroom flats and two or three-bedroom and two-bathroom flats. The building consists of just six flats, providing an intimate atmosphere, each flat includes a storage cell and some have a balcony.

The location is exceptional – just two streets separate the flats from the sandy beaches. There are numerous amenities nearby, such as restaurants, bars, supermarkets and shopping centres. Santiago de la Ribera, located in the Costa Cálida region, is a charming seaside town with 4 km of beaches that attracts tourists every year with its tranquillity and the warm waters of the Mar Menor.
