Property Description

This is a luxury apartment building with sea views in Playa Poniente. It offers 2, 3 and 4 bedroom flats in a glass tower with spacious terraces with views, ideal for enjoying the fresh air and fantastic climate of the Benidorm coastline.

The development has a swimming pool, children's pool, spa, jacuzzi, children's playground, two padel courts and much more.

The Alicante coast is well known for its mild temperatures and over 300 days of sunshine a year. Our residential property has been designed to enjoy each of these days, with large terraces facing the sea and well-maintained communal areas. Have breakfast each day, breathing in the Mediterranean breeze and the vibrant atmosphere of Benidorm. Known for decades for its unparalleled hotel, sun and beach infrastructure, Benidorm has been transformed in recent years. It is a paradigm of tourism in Spain for good reason, one of the few destinations that enjoys 80% hotel occupancy throughout the year. Coupled with a wide range of traditional Spanish, Basque and Valencian cuisine, as well as other international varieties to suit all tastes and desires for experimentation.
