Property Description

A residential complex with an excellent location close to Playa Flamenca and shopping centres including Zenia Boulevard and with direct access to the AP-7 motorway. The complex resembles a central European town with open, natural spaces, pedestrian pathways. It has spacious communal areas with swimming pools, with a relaxation area, a jacuzzi and a water area for children's play. There is also a glass-enclosed gym with panoramic views of the lake, an exercise room and a Finnish sauna. An economically and environmentally efficient project. LED lighting or ponds in the green areas are just some of the features that characterise it.
