Property Description

Luxury flats with sea views in Rincón de la Victoria - Costa del Sol

In the seaside enclave of Rincón de la Victoria, a modern complex of 22 elegant 2 and 3 bedroom flats is under construction. Each flat is distinguished by its excellent interior layout, spacious terraces and panoramic views of the Mediterranean Sea. The price of each apartment includes a garage space and a storage room, which increases the comfort of everyday living and the investment value of the property.

The developer provides residents with access to comprehensively designed communal areas – adult and children’s swimming pool, gardens, solarium and bicycle parking. Modern amenities are included as standard: underfloor heating, an aerothermal heating system, a lift and an LED system, which fits in with the expectations of clients looking for **luxury properties in Spain**. Added to this is the interior personalisation service – the opportunity to tailor the appearance of the flat to your own preferences.

The project’s location is a true pearl of the Costa del Sol: quick access to the A-7 and AP-7 motorways, the international airport, the centre of Malaga and year-round tourist attractions. It is an ideal proposition for those planning to **buy a house in Alicante** or invest in

investment property in Spain, with the option to **earn money from renting in Spain**. The region is growing rapidly and the high standard of construction and contact with nature increase **the profitability of investing in Spain**.
