Property Description

A new residential standard on the Costa Blanca, located in the heart of Torre Vieja, just 600 metres from the Blue Flag beaches and 300 metres from the main services. This is an excellent option for those who are interested in **buying a property in Spain** and want to combine the comfort of urban life with proximity to the sea. As an experienced **real estate agent in Spain**, we offer our clients access to this unique development at attractive prices. The project is characterised by its modern architecture inspired by the Mediterranean landscape, and its functionality and construction quality make it an ideal choice both for living and as **an investment property in Spain**.

There are **flats for sale in Spain** – studios and flats with 1 or 2 bedrooms, as well as optional storage rooms. On the roof of the building there is a communal terrace with a heated swimming pool, solarium, gym and sauna – amenities that significantly increase the rental potential and allow you to **make money from renting in Spain**. With the highest energy class A, the development fulfils the needs of those interested in sustainability and modern construction. As **property agents on the Costa Blanca**, we help investors understand the local market and offer full support with the purchase formalities, including **property tax in Spain**.

Torrevieja is one of the *best places to buy property in Spain*, appreciated for its Mediterranean climate, clean beaches and developed infrastructure. Buying a property in Alicante or the surrounding holiday resorts such as Torrevieja is now a viable and profitable decision – whether you are looking for a second home or are an investor. As a professional **real estate agent in Spain**, our team supports its clients at every stage of the purchase – from selecting the property to financing and handing over the keys.
