Property Description

Modern flats for sale in Punta Prima, one of the most prestigious neighbourhoods of Torrevieja on the Costa Blanca, are a unique proposition for those dreaming of owning their own property in Spain close to the sea. The residential complex is just a few minutes' walk from the beach and surrounded by the full urban infrastructure – restaurants, cafes, shops, shopping centres and sports facilities. It is the ideal place for those who want to combine a quiet Mediterranean lifestyle with access to all the amenities of a major resort.

Choose from flats with 2 or 3 bedrooms and 2 bathrooms, a spacious living room with dining area and a modern kitchen with island. With large terraces, private gardens or solariums with panoramic sea views, everyone can find a layout perfectly suited to their needs. The interiors are distinguished by their elegant finishes – large-format porcelain stoneware is used on the floors, the kitchens are fully furnished and equipped with appliances, and the bathrooms offer modern fittings, showers with linear drainage and glass walls. For the full comfort of the residents, there is underfloor heating in the bathrooms, ducted aerothermal air conditioning, as well as built-in wardrobes, electric roller shutters and security doors.

The complex is fenced, monitored and adapted to the needs of people with reduced mobility.

There are lifts for residents with direct access to underground garages and storage cells. The carefully designed common areas include swimming pools, green zones and leisure areas, which promotes relaxation and integration.

This offering is not only an ideal place to live in Spain, but also an excellent investment property with short-term and long-term rental potential. Punta Prima is a location that attracts tourists from all over the world, making the purchase of a flat in this part of the Costa Blanca a viable investment in the Spanish property market.
