### Property Description

The semi-detached villas stand out at first glance for their perfect balance, which conveys a combination of clean and minimalist lines with other curvaceous and organic lines, very smart and elegant. On the terrace you can enjoy meals with family and friends, sunbathe and relax in the 10 m2 swimming pool included in the price.

If you finally choose our terraced house, you will get a view of Salt Lake Salada or the pool. And you will secure a fantastic home full of natural light, with a spacious living room connected to the kitchen.

If you choose the top floor, you can enjoy the views or sunbathe in the solarium. And if you choose the ground floor, in addition to the terrace, you have a comfortable space in the ground floor that you can use as a guest area, a playroom for the children or an additional space where you can spend time with your loved ones.

Whatever your choice, you will have the privilege of living in an exclusive residential building full of large communal spaces; gardens, garden gym, playground and, of course, 2 large communal pools, one of them for adults and the other for children

Location: Located in the south of the Costa Blanca, the coastal town of Torrevieja has been one of the most important holiday and tourist destinations in the whole country for several decades among our foreign visitors who are looking for sun, beaches and much more that we can offer them.
