Property Description

This new, intimate development on the Costa Blanca, in the popular village of Pilar de la Horadada, is the perfect option for those dreaming of **new flats for sale in Spain** close to the sea. The project consists of just 12 houses with 2 or 3 bedrooms, located close to the cycle path, the beach and local amenities – shops, restaurants and services. This is an ideal opportunity to **buy a property in Spain** that combines the comfort of everyday life with relaxation among nature and access to the sea.

The flats have been designed to offer spacious, bright interiors thanks to large glazing and three elevations. Each property has a terrace, solarium and parking space, and the development incorporates energy-efficient design solutions – which not only enhances comfort, but also increases **energy efficiency**, making the **investment in Spain profitable**.

The development includes a heated outdoor swimming pool – ideal for relaxing all year round and providing an excellent recreational area. The location in Pilar de la Horadada guarantees access to infrastructure, as well as proximity to beaches and walking trails – making it a great option both as a holiday home and as **an investment property in Spain** with real potential

to **earn rental income in Spain.**

Want to find out more about how **to buy a property in Spain** and take advantage of this offer? Get in touch with our **Costa Blanca real estate agent**, who will guide you through the entire process – from choosing a flat to tax advice and finalising the purchase.
