of La Marina, in a unique and exclusive enclave, just 800 metres from the beach. Next to the Mediterranean Sea, surrounded by a privileged environment: the natural area of Las Salinas, extremely beautiful for nature lovers and comprising a strip of dunes with a century-old pine forest and golden sandy beaches with clear, crystalline waters, making it an exclusive place to live or spend the summer all year round, within walking distance of all services.

We have designed a set of 12 independent villas in a modern Mediterranean style, with private plots of different sizes, with 3 bedrooms and 3 bathrooms and an open plan kitchen in the living room.
