Property Description

We present an independent two-storey villa, built with the highest quality materials. It is

possible to individualise the finishing of the house, it has a large terrace on the first floor of 20m² and a veranda of 20m². The house has been sustainably designed, using the latest technology, safety and livability measures, as well as all tools to reduce the environmental impact.

The villa is characterised by its functionality and careful design. The structure is located on a plot of 375 m², has a large American-style kitchen integrated into the living room of 46m², 1 bedroom on the ground floor and 3 on the ground floor and 3 bathrooms. There is an additional possibility to build a private pool on the plot.
