### Property Description

A modern apartment complex is under construction at Torre de la Horadada, where every detail has been taken care of to combine the comfort of everyday living with Mediterranean style. There is a choice of ground floor flats with spacious terraces and an upstairs flat with a private solarium where there is a summer kitchen – the perfect place to spend time outdoors.

Each flat offers a bright living room with open-plan kitchen and dining area, 2 or 3 bedrooms with built-in wardrobes and 2 fully equipped bathrooms. The standard also includes white goods in the kitchen and underfloor heating not only in the bathrooms, but also in the living room and kitchen, which significantly increases comfort. The flats come with a private parking space and there is a communal swimming pool surrounded by a lounge area.

This development in Spain is an excellent option for those looking for **new flats in Spain for sale**, either for personal use or as **investment properties in Spain** with high rental potential. The proximity to the beach, services and recreational areas makes buying a property in this location a great choice for **a profitable investment in Spain**. If you're interested in **a villa with a pool in Spain, luxury property Spain** or modern flats on the Costa Blanca, it's worth considering this offer – with the support of a professional **Costa**
