Property Description

Luxury residences that combine elegance with modern design and comfort. Each villa offers four spacious bedrooms and three bathrooms, as well as a private pool and a beautifully designed garden, creating the perfect space for relaxation. The bright, minimalist interiors are characterised by spaciousness and functionality, and the southern orientation of the buildings ensures excellent light and natural warmth all year round.

The storied design of the houses promotes both better ventilation and a feeling of incredible spaciousness, making the interiors not only aesthetically pleasing but also practical. Each villa is also equipped with a large, light-filled basement that can be adapted into a home gym, office or additional recreational space to suit the owners' individual needs.

Located on the prestigious La Finca golf course, the villas guarantee access to all the necessary amenities such as restaurants, shopping centres and a wide range of sports and leisure activities. The proximity to major roads, including the AP-7 motorway, allows quick access to the spectacular Costa Blanca beaches such as El Pinet and La Mata.
