Property Description

Just 300 metres from the beach, in a prime location on the Costa Blanca, a modern residential building is under construction offering 1, 2, 3 and 4 bedroom flats. All units come with a parking space and storage room included in the price, making this offer extremely attractive for those planning to **buy property in Spain**. It is ideal for both families and investors looking for a bargain within the **Spanish property market**.

The high standard of finishing includes aluminium joinery with thermal break, double glazing with sunscreen, armoured front door and elegant interiors with built-in wardrobes and a modern bathroom with high quality fittings. The installation of ducted air conditioning and energy-saving solutions such as aerothermal water heating ensure complete comfort. The kitchen, equipped with cabinets, a quartz countertop and a modern ceiling extractor, is the answer to the needs of the most demanding clients considering **new flats for sale in Spain**.

It is also an excellent option for those interested in **investment properties in Spain**. With their proximity to the beach, amenities and attractive location, these flats offer a high potential for return **on investment** and the opportunity to **earn rental income in Spain**. A

local **Costa Blanca real estate agent** will provide a comprehensive service for the entire process – from presenting the investment to advising on **property taxes in Spain** and assisting with the finalisation of the purchase.
