Property Description

A development of 100 flats in a wonderful residential area and in a unique location. The two- and three-bedroom flats are distributed in different blocks, creating a balanced ensemble. The project combines modern architecture with perfectly designed landscaping surrounding the building with large gardens and communal recreational areas that allow customers to enjoy the resort concept.

Very spacious flats, penthouses and ground floor flats with layouts, quality and finishes designed to make the property exactly what you are looking for. Each flat has a large terrace, a key part of the whole flat, a spacious extension with magnificent views.

The location and surroundings are other great features of the development, with unparalleled views of the Mediterranean Sea. Manilva is a unique city for its location, culture and gastronomy, a place where you can enjoy the sun, the sea and a pleasant and friendly lifestyle.
