Property Description

Modern flats in Torre Vieja on the Costa Blanca are the perfect option for those dreaming of owning their own property in Spain close to the sea. The development is located just 500 metres from Los Locos beach – one of the most famous and popular beaches in Torre Vieja. It is the ideal place to enjoy the Mediterranean climate, the wide sandy beaches and the rich infrastructure of this popular resort.

The complex comprises 44 bungalow flats with 2 or 3 bedrooms, designed in a modern style and with the comfort of the residents in mind. The interiors are characterised by spacious layouts, plenty of natural light and functional design. Choose from ground floor flats with a private garden or ground floor flats with a spacious solarium terrace, ideal for relaxing and gathering with family and friends. Each property comes with a garage space included in the price, and some of the flats offer beautiful views of the surrounding area.

Within the development, residents can enjoy attractive communal areas – a swimming pool and well-maintained gardens for relaxing and socialising. The location provides access to shops, restaurants, cafes and all the services necessary for everyday life.

This is a proposal that combines comfort and an attractive location. If you are interested in buying a property in Spain – whether as a holiday flat by the sea or an investment property in Spain with rental potential – these flats in Torrevieja are the ideal choice.
