### Property Description

The modern development in Bigastro is the perfect option for those looking for **modern properties in Spain**. In the heart of picturesque Vega Baja, on a hill with panoramic views of the surrounding towns and green gardens, a complex of 10 luxury semi-detached villas is being built, offering everything you would expect from comfortable living on the **Costa Blanca**.

Each house is a spacious and functional design: 4 bedrooms, 3 bathrooms, a private garage with direct access to the property, as well as a 39 m<sup>2</sup> roof terrace from which to enjoy the sunsets and savour the scent of orange blossom. In addition, each villa has its own plot of land, with the possibility of adding a private swimming pool – ideal for those who dream of **a house in Spain with a swimming pool**.

This is ideal for both families and investors looking for **investment homes in Spain**. The location combines the tranquillity of being surrounded by nature with quick access to all necessary services – schools, health centres, shops, restaurants and cultural and leisure infrastructure.

Its proximity to the cities of Orihuela, Alicante and Murcia, as well as its convenient access to **Alicante airport**, make it the perfect place for both permanent residence and **a second home in Spain**. The development is only a few minutes away from **the wide beaches of Guardamar del Segura and Torrevieja**, making this location particularly attractive for lovers of the Mediterranean lifestyle.

If you are looking for **a new residential development in Spain next to the beach**, close to nature, with a high standard of finishings, private garden, swimming pool and modern design – this offer will meet your expectations. Contact us and discover your dream **home in Spain for sale**.
