Property Description

A new residential development located in the quiet Spanish town of Pilar de la Horadada in the south of the Costa Blanca is an ideal proposition for those interested in **buying property in Spain**. This intimate project comprises just six modern homes – semi-detached and terraced – offering comfort, privacy and a high quality of life in a Mediterranean climate.

Each house has a spacious layout with 3 or 4 bedrooms, 2 or 3 bathrooms and several terraces, including a large private solarium with panoramic views. The properties also provide a private parking space and access to a communal swimming pool, making them an ideal choice for both a holiday home and a year-round living space.

The development is just a five-minute drive from the beaches of Torre de la Horadada and Mil Palmeras – wide, sandy shores with a promenade and amenities. It is also close to local shops, restaurants and bars – all of which are within walking distance, a huge advantage for those looking for **flats for sale in Spain** or **houses for sale Spain** in a good location.

For those considering **how to buy property in Spain**, this development is an excellent opportunity. Pilar de la Horadada has very good transport links – Murcia airport can be reached in around 40 minutes, Alicante in less than an hour and the well-known La Zenia

Boulevard shopping centre is just a 15-minute drive away.

This is an ideal option for those following **the Spanish property market** and looking for a quiet place to live among nature, close to the sea, with convenient access to all services.
