Property Description

The first part of Phase 3 has been sold and handed over, comprising 12 semi-detached villas and common areas with swimming pools and children's playgrounds....

We are now starting construction of the final phase of semi-detached villas, in this case 14 semi-detached villas. These houses are changing the exterior in some respects, as we have chosen a different colour for the facade composite, which makes them unique.

They are triple houses with 3 bedrooms (optionally they can be with 2 and 3 complete bathrooms), with luxurious features in a distinctive part of Denia.

You will be able to enjoy the views of the Montgó nature park from the solarium of your home.
