Property Description

This is a stunning development of semi-detached houses with 3 and 4 bedrooms, gardens and fully equipped kitchens. With exceptional communal services and excellent individual features.

The design philosophy strives to achieve a balance between architecture and nature. Designed to enhance the beauty of the surroundings, it creates a “resort” space with pools with a relaxation area, a coworking space for working in the comfort of your own home, a fully equipped gym and a social club where you can share unforgettable moments with loved ones and neighbours.

The development is in a privileged location, facing a large Mediterranean forest with lush pine trees, less than 10 minutes from the beaches and just 20 minutes from Malaga Airport. It offers easy access and excellent transport links. Just 800 metres away is the new Costa del Sol park, a new green lung with extensive gardens and a wide range of leisure activities.
