Property Description

This villa in San Fulgencio – Alicante, combines a modern lifestyle with the charm of a traditional Spanish village. This luxurious villa offers a spacious living room connected to the dining room, a kitchen, three comfortable bedrooms, and two bathrooms. Outside you will find private parking, a secluded garden and a solarium – the perfect place to relax.

The villas are located in a quiet area, just a few minutes' walk from local supermarkets, restaurants, bars and the sports centre. The village offers basic amenities and has the advantage of being close to larger towns, where you will find an even wider range of services, shops, restaurants and everything you need for everyday life.

San Fulgencio is just 15 minutes from the picturesque beaches of Guardamar del Segura and Torrevieja, and around 30 minutes from Alicante airport, making it an excellent base for both daily living and leisure activities.
