Property Description

The development is located in a natural setting at the foot of the Cabeço d'Or mountain and is only a few minutes from the beach. It is the ideal place to live and enjoy the mountains and

the sea at the same time. The new phase will consist of semi-detached villas and two-family villas with two and three bedrooms and two bathrooms. In addition, the complex has its own swimming pool for residents, a jacuzzi and green areas.

Almost all the buildings have two floors, are of excellent quality and have been designed to be lived in all year round. The large gardens next to the villas allow you to build your own swimming pool on the plot.
