Property Description

Detached Buenaventura and El Paso villas with three or four bedrooms, located in a quiet and secure enclave. These villas are distinguished by large terraces and pergolas surrounded by private gardens. Each villa provides breathtaking views of the mountain ranges.

The exterior architecture is inspired by the traditional 'casas del campo' of the Almanzora Valley, giving the villas a rustic charm. The interiors, on the other hand, exude modern elegance, harmoniously combining tradition and modernity. The villa features a spacious master bedroom on the first floor, with direct access to a large terrace, ideal for outdoor relaxation. High-quality finishes include USB ports in every room, high-speed internet connection, elegantly finished bathrooms and an open-plan kitchen.

Each villa also features a fully landscaped garden and allocated underground parking.
