Property Description

The property is located in the resort of Cumbre del Sol, more specifically in the Jazmines Residential Estate, an exclusive area of large luxury villas with elegant views of the Mediterranean Sea.

Its more than 625m² of space has been distributed over three floors and is subtly integrated into its surroundings, adapting to the natural slope of the land and allowing the blue of the sea to be present throughout almost the entire house.

This property has many exceptional rooms to enjoy at different times of the day, but certainly one that deserves special attention is the master bedroom, a huge room bathed in natural light, arranged to enjoy the sea view at all times, located in a separate module of the house, thus maintaining privacy.

The main terrace of over 91 m² is dominated by the edgeless pool, creating an oasis of relaxation. Completing the set of outdoor areas is a veranda where one of the summer dining areas is located, prepared for the installation of a barbecue, all surrounded by landscaped areas with natural stone walls.

An exceptional property in the Spanish Mediterranean, on the northern Costa Blanca!
