Property Description

The residential complex is located in a privileged setting in the heart of the so-called Golden Triangle on the Costa del Sol in the Atalaya district (Estepona), less than 10 minutes' drive

from Puerto Banús. It comprises two types of housing in the form of detached villas: two with 4 bedrooms and 5 bathrooms and five with 3 bedrooms and 3 bathrooms. In addition, they will have an underground parking space, extensive gardens with a private swimming pool and a sun terrace equipped with a pre-installation jacuzzi.

The villas consist of a basement, ground floor, first floor and sun terrace. All are designed with a ground floor bedroom, a living room partly double-height, a dressing room in the master bedroom and a pre-installation of a lift. Due to its location, the complex is an excellent spot for golf lovers – just a minute away is the Atalaya Golf & Country Club, one of the oldest golf clubs on the Costa del Sol.
