Property Description

Ideally located on the prestigious Costa del Sol, this attractive boutique collection of 15 private four-bedroom villas promises a life of luxury and tranquillity. Each home has a contemporary design accentuated with natural materials, conveniently located near the elegant Puerto Banús marina and the exclusive seaside resort of Marbella.

The spacious and comfortable villas are designed as two large blocks, stacked one on top of the other, which ingeniously appear to shift and overlap to create welcoming shaded verandas and terraces. Their design, anchored by wooden side panels, allows for expansive floor-to-ceiling windows that maximise natural light and views.
