Property Description

The unique, single-level villas with three bedrooms and two bathrooms are a true oasis of comfort and style. The spacious living room, harmoniously combined with the dining room and kitchen, creates an open space, ideal for spending time together. The villas also have a swimming pool and a parking space.

The interiors combine modern trends with traditional elements, such as stone and wood, which add warmth and cosiness. Thanks to the thoughtful layout, natural light fills the interiors throughout the day, while the optimal location ensures privacy and excellent ventilation.

Located just 5 minutes from Benidorm and 2 km from the charming Finestrat, these villas offer not only proximity to services such as shops, restaurants and schools, but also easy access to the beautiful walking and cycling routes at the foot of the Puig Campana mountain. The ideal location, less than 40 km from Alicante airport, allows you to enjoy proximity to both nature and big city life.
