Property Description

Introducing a new development in Pilar de la Horadada, in the province of Alicante – an innovative project combining modern architecture, technology and sustainable solutions. It is an ideal proposition for those looking for modern, comfortable and energy-efficient **homes for sale in Spain**.

It is an intimate complex consisting of 8 modern semi-detached villas, each with 3 bedrooms and 3 bathrooms. In addition, there is a turn-key home ready to move into with 2 bedrooms and 2 bathrooms – fully furnished and equipped. This is a unique opportunity for those looking to **buy a property in Spain** and move straight in.

Each property has been designed with comfort and functionality in mind. High-end finishes, fully equipped kitchens with modern appliances, pre-installation of ducted air conditioning and installation of photovoltaic panels ensure maximum comfort and energy efficiency. This is an excellent option for clients looking for **luxury properties in Spain** combining lifestyle with environmental concerns.

Pilar de la Horadada is a well-known village in the Costa Blanca region, popular with clients

looking for **flats and houses in Spain** close to the sea and golf courses. The development's great location guarantees proximity to beaches, shops, restaurants and all amenities. It is only a few minutes away from the beautiful beaches of the Mediterranean and excellent golf courses - making this development also attractive for **investment property in Spain**.

Wondering **how to buy a property in Spain**? Contact our **real estate agency in Spain** - our experienced **Costa Blanca real estate agents** will provide you with professional support at every stage of your purchase.
