Property Description

A unique residential complex in Polop, designed for those who desire harmony between a modern lifestyle and the natural beauty of the surroundings. Each house has been carefully planned to provide panoramic views of the sea, the bay of Altea and the majestic Alicante mountains. Large windows allow a seamless connection between the interior and the garden, making the landscape an integral part of the house and allowing natural light to reach every corner.

There is a choice of two- and three-bedroom homes in a variety of configurations so that everyone can find a space perfectly suited to their needs. High quality workmanship, modern design and thoughtful architectural solutions make Bay View a place where everyday life takes on a new and better dimension.

One of the most unique assets of this development are the spacious terraces, which offer spectacular views of the Mediterranean Sea and the picturesque bay of Altea. This is the perfect space to relax and spend unforgettable moments surrounded by the beauty of the Costa Blanca. Simply furnish the terrace with stylish garden furniture to create an atmosphere ideal for relaxing and meeting loved ones.

This is a place where light, comfort and design come together in perfect harmony, offering residents an exceptional quality of life. The location between the sea and the mountains makes every day full of inspiration, while the mild Mediterranean climate allows you to enjoy the sun all year round.
