Property Description

The villas are located at the top of the very popular residential area of Ciudad Quesada (Rojales), in the heart of the southern Costa Blanca and next to the La Marquesa golf course. These amazing bespoke villas are built on large plots next to amenities and services and just 8 minutes drive from the beaches of Guardamar.

Many factors have influenced the design of these properties with both Mediterranean and Northern European influences at all levels of construction, with a slight British note evident in several details of these villas. If nothing you've seen so far has caught your eye, it means you haven't seen these villas yet.
