Property Description

The development is located just off the main streets of the city, so daily grocery shopping can be done within walking distance to the city without the need for a car, and for longer

journeys, such as to the airport, the A7 motorway is about an 8-minute drive away. This road will take you to Alicante airport in less than 30 minutes.

The villas themselves are spacious houses with 3 bedrooms and 2 bathrooms, one of the bathrooms is located in the master bedroom and all rooms have built-in wardrobes. The living/dining room has a gourmet open plan kitchen and the ceiling has been raised to provide a sense of space and light in this part of the house.

A very important feature of this property is that it is single storey, allowing for homes that blend in with their surroundings and don't stand out, but their design is sure to turn heads as their style is the result of many months of work, designing different solutions to be able to offer a practical but comfortable home for you and your family.
