Property Description

The new villas for sale in Torrevieja on the Costa Blanca are a unique proposition for those dreaming of a luxury property in Spain close to the sea. Each villa is being built on a 420 m² plot, offering 238 m² of modern accommodation and an additional 72 m² of solarium with beautiful views. The well-thought-out layout includes 4 spacious bedrooms and 4 elegant bathrooms, with a private pool and parking space to complete the comfort.

The development has been designed with the highest standard of living in mind – residents will enjoy two communal swimming pools, manicured gardens and numerous neighbourhood amenities. The villas are just a 15-minute walk (5-minute drive) from the famous La Mata beach, one of the most beautiful on the Costa Blanca.

Torrevieja is a booming town with a full infrastructure – seaside promenades, restaurants, shops, schools and sports facilities. The region is also famous for the picturesque Lagunas de La Mata-Torrevieja Natural Park with salt lagoons in shades of pink and green.

This is an ideal option both for those who want to live permanently in sunny Spain and for investors looking for investment properties in Spain with holiday rental potential.
