Property Description

The residential complex has been carefully designed to capture the beauty of Sierra Cortina and the Mediterranean Sea in every corner. The house is characterised by large spaces that blend perfectly both inside and out. Light plays an essential role in highlighting and transforming architectural perspectives, giving each space a unique and exceptional essence.

On the second floor there are two bedrooms with en-suite bathrooms and access to a beautiful open terrace, ideal for outdoor relaxation. This house also has a basement and an English courtyard, providing additional spaces and several opportunities to customise the house to your own tastes and needs.
