Property Description

The property, with 360° views of the sea and the Benidorm skyline, is located in a privileged part of Altea la Vella in Azure Altea Homes, one of the most characteristic enclaves of the northern Costa Blanca. The architecture, with modern and functional lines, has been designed so that the spaces can breathe and open onto the large terrace and pool. Light, air, sea and vegetation make the style adapt and integrate with the landscape.

It is built on three levels, access is through the top level where the garage and the hall of the house are located, equipped with a lift, making it convenient to move between levels. On the middle floor there are three bedrooms, all with en-suite bathrooms and access to the terrace to enjoy the sea from every room in the house. On the main floor is the fourth bedroom of this villa, also with direct access to the terrace and the entire living area, a large open plan living room connected to the kitchen, terrace and pool.
