Property Description

The luxury villa with garden and private pool is distributed over three floors, access is on the top floor where there is parking and a lift that connects the whole house. On the middle floor are the bedrooms, a total of 3 bedrooms, all with access to the terrace, the luxury of waking up on the terrace to breathe in the fresh air and start the day watching the Mediterranean Sea.

On the ground floor there is a spacious living room full of light, connected to the kitchen and the outside, making this room the heart of the house.
