Property Description

The colours of all the buildings have been chosen to match and/or enhance the existing colours of the local soils, rocks and landscape, giving a rich mix of reds, pinks, beiges.

The interior has been designed for spaciousness and brightness, with no unnecessary divisions into enclosed rooms. The living room opens onto the dining room and hall, creating a seamless but functionally separate space, which helps to maintain a sense of separateness in everyday use. Large glass doors lead from the living and dining rooms to the shaded veranda, which harmoniously connects the interior with the exterior, allowing you to fully enjoy the warm climate all year round – even on winter days.

The kitchen, with furniture handcrafted by local artisans and equipped with top-of-the-range appliances, is a space that is not only functional but also full of elegance. Each bedroom has been designed with attention to comfort, and the master bedroom stands out with a luxurious private terrace with direct access to the garden and pool.

Location: Almeria International Airport, just a 45-minute drive from the resort, offers convenient flight connections to many European cities. Two more international airports are available: Murcia/Corvera, just 70 minutes' drive away, and Alicante, which takes around 110 minutes to reach.
