Property Description

Located just minutes from the charming village of Aspe, these modern 3-bedroom, 2-bathroom villas are for those seeking comfort, elegance and a unique location in the heart of the Costa Blanca. The properties have been designed by experienced architects who have taken care of every detail to combine modern design with functionality and top quality workmanship. Thanks to the large glazing, the living room and dining room are filled with natural light, while the interior offers views of the private pool and garden.

Each villa offers a spacious layout, a large terrace and a private garden with easy-to-maintain greenery, ideal for relaxing and spending time outdoors. Additional features include a solarium with mountain views and a private parking space. The villas combine the comfort of living close to nature with the convenience of daily access to all necessary amenities.

The development is located in a quiet area, only 5 minutes from the centre of Aspe, where there are numerous shops, bars, restaurants and an excellent sports infrastructure with indoor and outdoor pools. Alicante airport and the local beaches can be reached in just 25 minutes, making this location ideal both for year-round living and as a holiday investment.

This is a unique opportunity to enjoy the Mediterranean lifestyle in a modern villa,
